She attended school and worshipped at Jerusalem Baptist Church at Ashland. She relocated to San Francisco, California in 1942 where she worked for several years as a domestic engineer.

In the early 1950's she joined the Greater Gethsemane Church Of God In Christ working as the Pastor's aide.

She later united with the PowerHouse Church Of God In Christ under the late Pastor Harry Taylor. She went on to unite with Little Chapel Church Of God In Christ and remained there until her home going.
